ESF 1.19 On-line E-Learning Management Systems for Post-Graduate Medical Training Activities

Dr Jacques A. van der Vliet (63) graduated from Medical School at the University of Groningen, the Netherlands in 1975. He joined Philips Electronics in that same year and worked as a Claim supervising doctor and as an Occupational physician.

He specialised in Occupational Medicine in 1980. Between 1985 and 1998 he held several management positions in the Philips Medical Centre. From 1992 until 1998 he was the head of Philips' Corporate Health and Safety Department, promoting good working conditions and health throughout the company worldwide.

He joined the Dutch delegation of the CPME (Standing committee European doctors) in 1996. After having been the chairman of the subcommittee Prevention for over 10 years, he is currently engaged in different prevention topics like healthy ageing and promotion of healthy workplaces.
